

## **TWO NEW DIRECTORS APPOINTED, EXPANDING BOARD EXPERTISE**

July 15, 2011 – Vancouver, Canada. Alpha Wastewater, Inc. is pleased to announce its Board of Directors has been expanded with the addition of two new directors, who will round out the scope of expertise.

Mr. Karel V. Galland, President of ECOfluid Systems, Inc., a Professional Engineer and developer of the USBF® wastewater treatment technology, will add significant technical and project development expertise.

The second appointment is Mr. Weibiao (Sean) Xu, a highly experienced finance and business development executive and company funder, who will greatly enhance the board's understanding of the Chinese business market.

*Note: Alpha Wastewater is the current operating name of the company, which is registered in the State of Nevada as Silicon South, Inc. (OTCBB – SSOU). The company has filed a preliminary 14C information statement with the US Securities and Exchange Commission to change its name to Alpha Wastewater, Inc. and expects the name change to be completed soon. The company's head office is located in Vancouver, BC, Canada, and it also has a branch consulting office in Beijing, China.*
